

INCREASING OCD AWARENESS THROUGH FILM AND CONVERSATIONS

This is an open forum for people to learn more about OCD, the mission and programs of the International OCD Foundation, and your local NH Affiliate chapter. Short films on OCD will be shown followed by reflections and conversations from the audience. The goal of this event is to bring together those whose lives are impacted by OCD, local providers who treat OCD, and the general public who would like to learn more about the disorder. There will also be an opportunity to participate in a support group that evening. Light refreshments will be provided.

We look forward to seeing you at this community event.
